

🔍 [BSEC PERMIS](#) is looking for an expert/consultant in the field of maritime affairs and blue economy in the Black Sea.

Deadline for application: 📅 **10th of January 2020**, 🕒 06:00 PM Turkish time (GMT+3).

We are launching a call for applications that target experts/consultants with at least three years of experience in the field of maritime affairs and blue economy in the Black Sea in the context of the *“Knowledge management for the Blue Economy in the Black Sea 2019”* Call, which will be funded under the European Maritime and Fisheries Fund (EMFF-IBA-BS-2019).

✍️ The contract will be for two years, starting from February/March 2020 and will allow work from distance (the expert/consultant could be based outside Istanbul).

✦ The tasks will include:

↳ Coordination and editing of web content and communication materials in close cooperation with the responsible BSEC PERMIS Executive managers, including for the website and social media use;

↳ Ensure that the relevant pages on the BSEC website contain accurate and up to date information, including impact stories, a channel for strategic communication for the Black Sea region and EU audiences;

↳ Monitoring and analysis of policies and initiatives on maritime affairs, fisheries and marine research in the BSEC Member States and the EU policies, incl. identifying synergies;

↳ Assistance to the BSEC PERMIS in the development of coherent and focused communication plans, including analysis of target audiences and communication channels;

↳ Preparing draft documents and reports with maritime dimension, incl. stakeholder views, funding and financing opportunities, to support the work of the responsible BSEC PERMIS Executive Managers.
