THE BSEC PERMIS HEADQUARTERS**

(Istanbul, 17 October 2018)

A group of undergraduate students from the Department of International Trade and Business Administration of the Bahçeşehir University (Istanbul), accompanied by Dr. Byron MATARANGAS, paid an information visit to the premises of the BSEC PERMIS on 17 October 2018. This was the second visit of the Bahçeşehir University students this year.

They were received by the Secretary General of the BSEC PERMIS, Ambassador Michael B. CHRISTIDES and BSEC PERMIS Staff members. The latter informed their guests on the history, the legal basis and functioning, the current and future activities of the BSEC Organization.

After the presentations a q&a session was held, during which various questions from the participants on the role and mission of the Organization, as well as other related issues raised by the students were thoroughly answered by the BSEC PERMIS staff members, underlining the “economic” identity of BSEC.

In conclusion, Ambassador Christides underlined the usefulness of such visits for both sides and reiterated the willingness of the Secretariat to continue hosting similar events for students in the future.
