

PRESS RELEASE
ON PARTICIPATION AT THE BBSEA PROJECT
“SHARK TANK” EVENT AND THE REGIONAL STEERING COMMITTEE

The Eco-Innovation Challenge (EIC) “Shark Tank” event within the framework of the “Blueing the Black Sea (BBSEA)” project , as well as the Regional Steering Committee (RSC) took place in Chisinau on 10–11 June 2026. BSEC PERMIS was represented by Executive Manager Ambassador Ms. Venera Domi.

The Shark Tank showcased 27 finalists, all committed to tackle pollution and environmental issues in the Black Sea region, with 11 of them from the Greater Black Sea Window and 16 from the Focus Countries Window. The Greater Black Sea Window supports early-stage innovators with mentorship, while the Focus Country Window provides grants and technical assistance for solutions addressing pollution in Georgia, Moldova, and Türkiye.

The Regional Steering Committee (RSC) was held on 11 June. Presentations were followed by the launch of the BBSEA Solution Bank. The participants expressed their appreciation for the Shark Tank and their support for the BBSEA Solution Bank.
