PRESS RELEASE
ON THE PARTICIPATION OF THE BSEC PERMIS IN THE 13th GREEN ENERGY INVESTMENTS FORUM

The BSEC PERMIS Executive Manager Ambassador Ashot Kocharian participated in the 13th edition of the Green Energy Investments Forum held in Athens under the auspices of BSEC on 14 October 2026.

Among the participants of this year's Forum were also representatives of Academic Centers and Chairs of the SDG Hubs participating in the 3rd Conference of the UNAI (United Nations Academic Impact) Sustainable Development Goals Hubs on "Strengthening Efforts to Implement the 2030 Agenda" and the 19th Scientific Conference on "Energy and Climate Change" held concurrently in Athens.

Addressing the opening session, Ambassador Kocharian emphasized that BSEC fully supports investments in renewable energy in the BSEC region, with a view to increase energy security, diversification of energy sources, interconnectivity, development of additional energy transportation routes and infrastructures.

He also underlined that the BSEC Energy Network (BSEC-GEN) could provide valuable support to the Member States in implementing the relevant provision of the BSEC Green Energy Strategy and Goal 4 of the BSEC Economic Agenda which focuses on sustainable energy and the development of the Black Sea energy market, including the promotion of renewable energy sources and clean technologies.
