PRESS RELEASE
ON THE LARGE-SCALE WILDFIRES IN THE REPUBLIC OF TÜRKİYE

The Permanent International Secretariat (PERMIS) of the Organization of the Black Sea Economic Cooperation (BSEC) follows with grave concern the developments relating to the large-scale wildfires across the Republic of Türkiye where hundreds of residents have been evacuated as the raging flames threatened settlements.

The BSEC PERMIS highly commends the firefighting efforts of the local authorities and their prompt and immediate actions undertaken to evacuate people from affected areas and contain massive wildfires.

The BSEC PERMIS extends its strong solidarity to the Government and the people of the Republic of Türkiye, and expresses its confidence that the raging fires in the northwestern and southwestern provinces of the country will soon be brought under control through the courageous and tireless efforts of rescue teams, firefighters and emergency services.
